5. **There will be no negative marking** in any round unless specifically mentioned.
6. Any participant found using **unfair means** may be disqualified from the quiz.
7. Participants must answer each question **within the specified time limit**.
8. A **tie-breaker round** will be conducted in case of a tie between participants

Round 1 – Brain Battle

Format:

- Round 1 will be conducted as an online multiple-choice question (MCQ) test.
- The quiz will consist of 50 questions. Each question will have multiple options, and participants must select the correct answer.
- Participants will be given 1 hour (60 minutes) to attempt the quiz.
- Participants may skip a question and return to it later within the given time limit.

✓ **Rules:**

1. The quiz must be attempted **individually**.
2. **No discussion** or communication with other participants is allowed.
3. No external assistance or **unauthorized resources** are permitted.

4. Participants must **submit** the quiz before the **time limit** expires.
5. Any **unfair practice** will result in **disqualification**.

Round 2 – Mind Maze

Format:

- A clue will be displayed on the screen for each question.
- Participants who know the answer must raise their hands.
- The participant who raises their hand first will get the first opportunity to answer.
- If the first participant answers correctly, they will be awarded 20 marks, and the next question will be displayed immediately.
- If the first participant gives an incorrect answer or fails to answer, the opportunity will be passed to the second participant who raised their hand.
- If the second participant answers correctly, they will be awarded 15 marks, and the next question will be displayed.
- If the second participant gives an incorrect answer or fails to answer, the opportunity will be passed to the third participant who raised their hand.
- If the third participant answers correctly, they will be awarded 10 marks, and the next question will be displayed.

✓ Rules:

1. Each participant can guess the clue only once.
2. **Each question will contain only one clue.**
3. The marks awarded will decrease as the number of attempts increases:
 - **1st participant– 20 marks**
 - **2nd participant– 15 marks**
 - **3rd participant– 10 marks**
4. Each question will be given a **maximum of three attempts**, one for each.
5. Participants must not shout out their answers. Answers must be given **only after receiving permission from the Quiz Master**.

Round 3 – Quiz Bowl

Format:

- Round 3 will be conducted through a random chit-selection system.
- Each qualified candidate will be called one by one to come forward and participate.
- A set of chits containing different questions will be prepared and placed in a bowl/container.
- The candidate will randomly pick one chit at a time from the bowl, they will get two attempts.
- The candidate will be given one minute (60 seconds / 1 minute) to answer the questions selected through the two chits.
- The questions will be selected randomly through chits, so every candidate will have an equal and fair opportunity.

✓ Rules:

1. Each candidate must select the chits **independently** and randomly.
2. **No candidate will be allowed to change the selected chits.**
3. Participants must answer **without receiving hints** or assistance.
4. Other participants must maintain silence while a candidate is answering.
5. The Quiz Master's decision regarding the answer and conduct of the round will be final.

Round 4 – Rapid Reflex

Format:

- Round 4 will be the final round of the Technical Quiz.
- Each finalist will be given a maximum of 2 minutes (120 seconds).
- A total of 10 questions will be asked to each candidate in a continuous rapid-fire format.
- The questions will be asked one after another without unnecessary breaks.
- If the candidate knows the answer, they must answer immediately.
- If the candidate does not know the answer, they may say “Pass” or “Skip”, and the Quiz Master will immediately move to the next question.
- A candidate will not be penalized for skipping a question.
- The candidate must answer the questions within the allotted 2-minute time limit.
- At the end of the round, the number of correct answers given by each finalist will be counted.
- The finalist who gives the highest number of correct answers within the allotted time will be declared the Winner & Runner-up of the Technical Quiz.

✓ Rules:

1. They should not waste the time or wait for a while.
2. **A candidate may say “Skip” if they do not know an answer.**
3. The finalist with **the highest score will be declared the winner & runner – up; in case of a tie, a tie-breaker will be conducted.**
